ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Printing of important current and old records of the Dewan's Office

—

The equipment necessary for this purpose for the present is as follows:—

1. Crown folio or Foolscap folio treadle machine worked by foot
2. Two pairs of 12-pt type
3. Two pairs of 10-pt "
4. One pair of 7-pt "
5. Italics of the above
6. Display type in Series ranging from 14-pt to 7-pt
7. A sewing Press
8. Cardboard Cutting machine
9. A small cutting machine or failing which a Cutting Press and Plough
10. A Nipping Press.
11. Sundry printing and binding materials.
12. A Galley proof pulling Press

I believe all the above requisites are available at the Govt. Press and the Superintendent Govt. Printing may be addressed to spare them for use here. There are two machines in the Press, the Monotype and the Thompson Type Casting machine, which cast types and if the Superintendent will supply us the type cast by either of these machines, it will give us an inexhaustible source of supply.

As for the establishment required to start the Press, two Compositors, two binders, one machine man
